

Chris Heaven

Ormond Beach, Florida

C. Heaven & Co.

Learn about Florida Entrepreneur Chris Heaven:

Chris Heaven is a Business Development Consultant with a proven track record. The global print magazine ComputerWorld has featured him on its cover twice. Since the mid 1990s, he has worked with startups through to Fortune 100 enterprises including: Oracle, Sun Microsystems, GE and others.

His consulting firm, C. Heaven & Co., is comprised of four ex-Silicon Valley executives with a combined 125+ years of experience. Their mission is to help you reach your maximum potential. They have a tried-and-true, six-step Business Development Process that consistently delivers remarkable results for companies like yours.

The SBDC has been working with Heaven since 2015 on marketing, search engine optimization, presentation refinements and more. It has

also helped C. Heaven & Co. promote the firm in Florida by focusing its value propositions. Heaven recommends that businesses use the services offered by SBDC Daytona to tap into its local insight and perspective.

He also encourages you to surround yourself with winners because you are known by the company you keep. People buy from people they like, so be like-able!
